

**REMARKS/ARGUMENTS**

Claims 39, 41 and 43 have been amended to remove the phrase - wherein said top layer weft yarns form long floats on the forming surface of the fabric - . This language was included in error. Claims 39, 41 and 43 correspond to original claims 5, 13 and 27 which were indicated to be allowable in the first office action if written in independent form. This amendment places them in independent form incorporating them into the original independent claim 1 for claims 5 and 13 and independent claim 17 for claim 27. The limitation deleted was added subsequently and accordingly was included in claims 39, 41 and 43 in error.

It is respectfully submitted that the amendment does not raise any new issues, but merely to correct an obvious error.

The Commissioner is authorized to charge any additional fee occasioned by this paper, or credit any overpayment of such fees, to Deposit Account No. 50-0320.

Respectfully submitted,
